Chartered Accountant (CA) - Institute of Chartered Accountants of India	Licensed: September 2022
CFA Level I - CFA Institute (Pursuing Level II)	Passed: August 2025

PROFESSIONAL EXPERIENCE

Aorbis Inc. <i>Finance Associate</i>	Hartford, CT February 2026 - Present
- Owned monthly close and balance sheet reconciliations, reduced recurring adjustments by 20% and delivered management reporting packages used in monthly business reviews and working capital decisions - Analyzed working capital across receivables, payables and short-term debt, identified inefficiencies and built a rolling cash flow forecast to support liquidity planning, variance analysis and ongoing FP&A decisions - Supported OSTE service launch with pricing build-up, unit economics and margin analysis for go-to-market planning	
PricewaterhouseCoopers (PwC) <i>Associate 2 - Capital Markets and Accounting Advisory Services (CMAAS)</i>	Mumbai, India October 2022 - April 2024
- Led IFRS-to-US GAAP conversion for a \$34B Irish company, prepared SEC filings (10-K/10-Q) and analyzed revenue recognition, leases and derivatives to ensure accurate financial reporting and support management decisions - Seconded to a \$20B UK telecom group to support month-end close, variance analysis and financial reporting; resolved 100+ open items, saving 120+ hours and improving reporting turnaround by 25% - Managed IFRS transition for a \$2B Saudi company; reviewed 50+ revenue contracts under IFRS 15, prepared technical accounting memos and delivered audit-ready financial statements ahead of the transition deadline - Built ASC 718 stock-based compensation model to forecast equity expense for FP&A, budgeting and headcount planning - Received PwC Spot Award (sole recipient, 120+ team) and 3x Above & Beyond Awards for cross-border SEC engagements	
<i>Article Trainee - Audit and Assurance</i>	September 2019 - September 2022
- Executed statutory audits for listed companies (\$300M+ revenues), performing financial statement analysis and cash-flow reviews to validate revenue recognition, leases and ICFR controls, with zero material restatements across all engagements - Managed end-to-end statutory audits for two mid-sized firms (\$25M revenue each); prepared financial statements, disclosures and trial balances under Ind AS using SAP ERP, delivering clean audit opinions and ensuring on-time regulatory submissions - Assessed ICFR effectiveness across 5+ clients, identified control gaps and recommended process improvements	

FINANCE & VALUATION PROJECTS

Capital Structure & Valuation Analysis - ServiceNow Inc. (UIUC Advanced Corporate Finance)
- Analyzed a \$1.5B AI infrastructure investment for ServiceNow, modeled capital structure scenarios and assessed how debt financing reduced WACC from 8.8% to 8.7%, improving capital efficiency and shareholder value - Developed a scenario-based DCF with best, base and worst cases - intrinsic value \$626-\$1,151/share vs. \$1,057 market price, identifying overvaluation risk and downside exposure under different revenue growth assumptions
Equity Valuation & Investment Analysis - Lennox & Trane (UIUC Applied Financial Analysis)
- Built 10-year DCF models for Lennox International and Trane Technologies using company-specific WACC assumptions, incorporating revenue growth, margin trajectory and capex forecasts to test intrinsic value - Benchmarked Lennox vs. Trane through EV/EBITDA, P/E comps, ROIC analysis and margin trajectory, identifying Trane's superior operating leverage and long-term value creation; cross-validated with DCF outputs
Valuation & Capital Structure Analysis - SpartanNash Inc. (UIUC Investment Banking Concepts)
- Built full valuation of SpartanNash using DCF, trading comps and precedent transactions, deriving implied equity value of \$15.5-\$27.4/share against a \$22 market price and identifying undervaluation relative to operating fundamentals - Modeled LBO at 4.0x leverage and SOTP analysis across business segments, evaluating capital structure scenarios, debt capacity, segment-level value drivers and IRR sensitivity for potential sponsors
